

## 2016 Wildland Firefighter Outreach

The Bureau of Land Management (BLM) Arizona Strip District Office is seeking individuals who may be interested in working as wildland firefighters. Wildland firefighters assist with prescribed burns and respond to local and national wildland fires. If you enjoy long hours hiking and strenuous physical labor for several days in the backcountry, the BLM is looking for you. Prior wildland fire experience is not required for all positions and training may be provided.

### Requirements:

- Department of the Interior medical requirements must be met
- Subject to background check and drug testing
- Valid driver's license

For more information contact:

Mark Mendonca, Asst. Fire Management Officer, 435-688-3369
